

Granite Pavers

on the Memorial Walkway of the NH State Veterans Cemetery

The New Hampshire Veterans Cemetery Association, Inc. (NHVCA, a 501 (c)(3) corp.) was established to allow veterans, families, friends, and organizations to honor loved ones and provide financial assistance to the cemetery. The money raised through donations funds beautification and other improvements which are outside the scope of normal operations and are only possible through the generosity of those who help make our Veterans Cemetery a place of peace and tranquility.

Memorial Pavers are one way individuals and organizations can honor loved ones and donate to the cemetery. Pavers are available at many monuments on the NHSVC Memorial Walkway and are 12" x 12" (\$250.00) or 6" x 9" (\$150.00). See the backside for information on paver size at various monuments.

For more information, please contact the NH State Veterans Cemetery at 603-796-2026 or mail the NHVCA at the address listed below:
