

# Granite Pavers

## on the Memorial Walkway of the NH State Veterans Cemetery

The New Hampshire Veterans Cemetery Association, Inc. (NHVCA) was established based upon the desire of veterans, families, friends, and organizations to honor loved ones, honor our history, and to enhance the beauty of the veterans cemetery. The money raised through donations fund improvements which are outside the scope of normal operations and are only possible through the generosity of those who help make our Veterans Cemetery a place of peace and tranquility.

Memorial Pavers are one way individuals and organizations donate and memorialize. Pavers are available at many monuments on the NHSVC Memorial Walkway and are 12" x 12" (\$300.00) or 6" x 9" (\$250.00).
